

INVESTMENT BREAKDOWN

PRECISION EVENT GROUP

Day of Coordination - \$1,500 (\$1,100 for "Micro Weddings" of 85 guests or less)
(includes 1 hr day before for rehearsal oversee and coordination)

we handle everything from overseeing setup at the reception, the ceremony coordination (making sure you and party and family make it down the right way), and full reception oversee of guest, vendors, cake cutting, flow, emcee/dance cadence, and cleanup! We make sure all from you/your families items get placed in the right cars, cake/leftovers, gifts, decor and more all get with the people you need so it's waiting for you at the right time when you return.

Partial Planning - \$3,750

Includes all from Day of Coordination, plus help with planning and coordination of up to 3 key areas before the wedding. We will work with you on the areas you still need assistance with and provide suggestion based on your budget, goals, and then negotiate on your behalf the best rate and options. We will then handle booking and securing invoicing so it is sent to you in an easy and timely manner. (ie, venue coordination, design of floral/cake, coordination of rentals, catering including menu planning, dj services, photography services, music professionals, and more)

Full Planning - \$6,600

We will work with you on all areas of your big day from hair and makeup, to your getaway car and all in between. We will be with you every step of the way to ensure all aspects are exactly as you desire and the day is seamless from the moment you start to finish.
